

**NEW RULES AND PROCEDURES and ADDITIONAL 'WAIVER OF LIABILITY' FOR 2021 GMSS
Ball Players, Managers, & Umpires! update 2/26/21**

All on-site players, umpires, coaches, managers, and other assorted personnel are required to read the following statement, to understand it, and to sign it before being allowed to participate in Greater Madison Senior Softball (GMSS) in any capacity during the 2021 season. You will sign it on the page for the team(s) or position to which you have been assigned for 2021. Your signature on the Team Form also allows you to substitute on any team and your Waiver of Liability will extend to that team(s) also.

I understand that Covid-19 exposure (including mutations) and it's many subsequent com-plications is a major health and life threat for all people and especially for those in the 55 years old and older age group. Covid-19 vaccinations are now available and should be gotten by all ballplayers before showing up for practices or games.

Whereas I have been informed of these risks and understand the seriousness of this pandemic, I still choose to participate in Senior Softball this year at Verona Parks and agree to hold harmless all people (including, but not limited to, other players, managers, directors, commissioner, umpires, Smart Motors personnel, and city crew members), organizations, and government entities associated with this endeavor in the event of any adverse health or physical effects suffered by myself or others as a result of my participation in Senior Softball and it's related events.

I understand that some ballplayers may choose not to play softball this 2021 season because of the Coronavirus risks and the fact that there will be body contact and limited ability for social distancing and the communal handling of the softball and other game paraphernalia. I agree to abide by the additional safety rules and procedures published on our website and put in place by the League this year (with special attention to self quarantine if exposed), but I understand that these measures will not prevent all body and breath contact or exposure risks which are an inherent part of playing softball. Criminal acts are not protected or excluded from prosecution with this Waiver.

I have read and understand the above explanations of conditions and risks and seriousness to myself and others of the Covid-19 pandemic and I agree with them. I hereby acknowledge that the current Covid-19 (coronavirus) pandemic poses additional health risks and agree the previously signed 2020 or 2021 Registration 'Waiver of Liability' form is transferred forward to include the 2021 season. Both the 2020 and the new 2021 Registration now is in effect for the 2021 season. This Additional Waiver extends to and includes the possibility of me or my 'fans' contracting the Covid-19 coronavirus or any of it's mutations during my participation in the GMSS Leagues. This additional Waiver of Liability is all encompassing and applicable too all circumstances which I may encounter as a participant in GMSS 2021 league activities.

I have also read, understand, and will abide by the published 'SAFETY PRACTICES AND PROCEDURES FOR GMSS 2021" as found on GMSS web page under 'Rules' button.
