10	7	4	5	5	7	7
11	7	5	5	4	7	7
12	7	5	4	5	7	7

2025 Thursday SCHEDULE CRITERIA :

My guidelines in creating this schedule were:

1. Middle 4 teams play each 1-4 team at least once and each 9-12 team at least once and play each other at least twice.
2. Teams more closely ranked may play each other more often than #1 above.
3. Teams ranked 1-4 would never play teams 9-12. This is to minimize lopsided scores and keep the games more interesting.
4. Teams ranked in the middle do end up with a greater variety of opponents and therefore do play each other fewer times.
5. Some teams have a large number of players coming from more than 45 minutes away. This is especially troublesome if you have to drive through the variable Beltline traffic. I tried to give these teams more later games, but it is not so critical with the later starts.
6. Thursday team members will all pay a \$30 Registration fee.
7. I am sending you one Thur SKD, and one Analyses/Summation worksheet for this schedule.
8. All sheets are color coded per category of competition for ease of reference.
9. This **Schedule #2 dated 20 Dec 2024** is still the latest version and supersedes all previous editions of a Thursday schedule for 2025.

RON RAMSDEN
GMSS Commissioner
